## Adams: SBA Birthplace Museum awarded \$9K grant

Dec 9, 2024

---

The Susan B. Anthony Birthplace Museum has received a \$9,000 grant from the Mass Cultural Council, a state agency, through its Operating Grants for Organizations Program.

Last year alone, the museum brought Susan B. Anthony's story to over 300 students. With a 59 percent increase in programming and museum attendance, the museum intends to continue to grow and expand its immersive and experiential learning capacity.

In the coming year, the museum will welcome six college interns, hold numerous free public programs and continue to draw tourists to the Berkshires with its events and guided house tours.

The Susan B. Anthony Birthplace Museum is located at 67 East Road.
